

RAW BAR MENU

Oysters. Simply put, it's what we do here at Earl's Premier! We've cultured some amazing relationships with the finest oyster farmers from both the East and West coasts. The logistics of our oyster program require quite a bit more attention than the average programs, but at the end of the day, we're able to source the freshest, highest quality farm-raised oysters available here in the Midwest. We think the effort shows and hope you will as well!
